LR 66, 68

SPEAKER NICHOL PRESIDING

SPEAKER NICHOL: Good morning. We have as our Chaplain this morning Dr. LaVern Grose who is Pastor of the First Evangelical Lutheran Church on South 70th Street in Lincoln. Dr. Grose.

DR. GROSE: (Prayer offered.)

SPEAKER NICHOL: Roll call please. Record, Mr. Clerk.

CLERK: A quorum present, Mr. President.

SPEAKER NICHOL: Any corrections?

CLERK: No, sir, none.

SPEAKER NICHOL: How about messages, reports and announcements.

CLERK: Mr. President, LR 66 is now ready for your signature.

SPEAKER NICHOL: While the Legislature is in session and capable of transacting business, I propose to sign and do sign LR 66. If I might have your attention for just a second, I passed out a letter to you from Jack McBride and I had visited with him briefly about the intense light in here for television purposes and his response is in that letter so you can just look at that letter, save me describing in detail what he had to say, and they will be looking into it further in the future and I will let you know. In addition to that, tomorrow you know the Governor is coming in from ten to eleven to speak to you about the budget. Other than that, we intend to get through with the program today and tomorrow so that we can adjourn at approximately noon tomorrow. Thank you. We will go on to LR 68.

CLERK: Mr. President, LR 68 offered by the membership is found on page 1589 of the Journal.

SPEAKER NICHOL: Senator Vickers.

SENATOR VICKERS: Mr. President and members, as you know, one of our colleagues had the...was unfortunate enough to have lost his father over the last weekend or the last few days, and since Mr. Landis was very, very active in a whole host of areas but particularly in the area of education, being a member of the State Board of Education for a good number of years, I thought it was appropriate that this body recognize those achievements with the introduction of this resolution and it has been signed by all the members and I just simply urge its adoption and our offers of condolences to our good colleague, Senator Landis.
